To: Mama Helena.

Mama Helena, all the visitors present all the staff members and my fellow children I would humbly greet you with great honour. I also thank the almighty for the gift of life He has given us. A lot of people are fighting to survive but God is protecting us freely with no pay.

To Mama Helena I thank you very much for being very kind to us. You have done a lot of good things for us that we could not afford. You have brought us from very far. None of us knew that we could be here.

To all the children we are grateful to God for providing you to us. We have all come from poor backgrounds but you have raised us up. We used to eat street foods or even stay angry but you now feed a balanced diet that is very healthy.

LUCY 14 YEARS

No one of us had money to go to school but you have provided it. You have sheltered us and brought us from darkness to lightness. Thank You **M**ama.

You have also done great to all the staff of Nyumba Ya klabo. None of them had hopes to get such great works that you have given them. Thank for being the best friend and best mother ever seen on earth.

May God bless you ~~for~~ and protect you from all evil things. We also pray for you to regain good health and stay strong always. To all the other visitors thank you very much for your cooperation.

We love you so much mama and may you have a Merry Christmas.
